\*The 2016 trivago Reputation Ranking Index combines and averages user hotel ratings and verified user reviews from 31 websites, taking into account only those cities with at least 50 hotel properties listed on trivago & a minimum average of 140 user reviews.

### About trivago Reputation Ranking

With over 200 million user ratings gathered from hotel, booking, and review sites all across the web, we've crafted a comprehensive, transparent, unbiased index for hotel ratings that we call the tRI®—and we are happy to share what we find. Cities with over 50 hotels, and a minimum average of 140 user ratings per hotel, were taken into account. We consider 100% as a perfect score, because how much more perfect can hotels in a city get?
